

Lit Review: General Feedback

- Content
 - Make sure to discuss *limitations* of current research. This is required for researchers and necessary to motivate future work in this area
- Spelling and grammar
 - Do not use abbreviations before they are defined
 - English 101: Sentences need a subject and a verb
 - "The dog ran" is a sentence
 - "The dog who ran" is not a sentence
 - Read your paper over multiple times (and out loud) to make sure that it makes sense grammatically
 - Don't forget to use spell check and grammar check
